PEMBROKESHIRE COUNTY COUNCIL

CYNGOR SIR PENFRO

THE COUNTY OF PEMBROKE (BULFORD ROAD HIGHWAY IMPROVEMENT)

(VARIOUS ROADS) (TEMPORARY TRAFFIC RESTRICTION & PROHIBITION) ORDER 2014

NOTICE is hereby given that Pembrokeshire County Council intend, not less than seven days from the date of this Notice, to make an Order under Section 14 of the Road Traffic Regulation Act 1984 as amended by the Road Traffic (Temporary Restrictions) Act 1991.

The proposed Order is necessary to ensure the safety of road users and the workforce whilst work associated with the Bulford Road Highway Improvement scheme is carried out.

The effect of the Order will be to temporarily:-

i) Impose a 40mph or 10mph speed limit (level set is dependent on the type of work being carried out) on the lengths of road specified in Schedule 1.

ii) Prohibit all vehicular traffic, other than exempted vehicles, from proceeding along those sections of road specified in Schedule 2.

It is intended that the restrictions, which will be signed accordingly, will come into effect on **Monday 30th June 2014** and remain in force for a period of approximately 12 months or until completion of the works. Whilst the restrictions on speed are likely to remain in force for the duration of the construction period it is expected that the prohibition of vehicular traffic will only be necessary at certain stages of the scheme during which time vehicular access will be maintained to affected properties.

The Order will remain valid for a maximum period of 18 months as a contingency should work need to be rescheduled or consequential work required as a result of any unforeseen circumstances.

Pedestrian access will be maintained.
